November 15, 2017 | For Immediate Release

SAN FRANCISCO — Fourteen different institutions were represented on the 2017 Division 2 Conference Commissioners Association Women's Soccer All-West Region Teams, led by five selections for No. 7 nationally-ranked Western Washington. Dixie State senior forward Darian Murdock was named West Region Player of the Year.

Murdock repeated as PacWest Player of the Year in 2017 and earned First Team all-Conference with 19 goals and four assists. She ended the regular season ranked in the Top 10 nationally in goals scored (t-4th), points (t-6th), game-winning goals (t-3rd), goals/match (t-8th), and points/match (t-6th). She became the first DSU player to register three hat tricks in one season and broke Dixie State's single-season records for goals, points, hat tricks, and shots on goal.

WWU, the defending National Champions, and the No. 2 seed in the West Region were led by four First Team selections: forwards Gabriela Pelogi, who earned Second Team honors last season, and Karli White; midfielder Emily Webster; and defender Sierra Shugarts, who repeated as a First Team selection. WWU defender Taylor Hallquist was named to the Second Team.

No. 3 nationally-ranked UC San Diego, the No. 1 seed in the West Region, Notre Dame de Namur, and No. 16 Concordia (Ore.) each had three selections. Dixie State and Simon Fraser each had a pair of selections.

California Baptist, Cal State Dominguez Hills, Cal State LA, Fresno Pacific, Point Loma, San Francisco State, Seattle Pacific, and No. 25 Sonoma State were all represented by one player apiece.

WWU (18-1-0) and UCSD (15-2-2) will face off on Friday, Nov. 17 in a rematch of the 2016 NCAA Division II women's soccer quarterfinal.

The 13 first team members now advance to the national ballot, which will be announced Wednesday, Nov. 29.

The Division 2 Conference Commissioners Association encourages and promotes Division II athletics and high standards of sportsmanship as important elements of higher education. The CCA is a key communications link among the conferences as they discuss views, policies and regulations that impact Division II intercollegiate athletics and works closely with the NCAA as a communications channel to NCAA Division II member colleges and universities.
