

2018-19 CCAA Winter All-Academic Team

The CCAA recognizes individuals academically per season – fall, winter and spring – for all CCAA sponsored sports. In order to earn CCAA All-Academic team honors, a student-athlete must be of sophomore athletic standing or higher, and own a 3.3 cumulative GPA or better while competing in a Conference-sponsored sport in that season. The CCAA Winter All-Academic Team consists of eligible student-athletes who compete in the sports of men’s and women’s basketball.

A total of 79 men and women from across the CCAA’s 13 member institutions have been honored for their efforts in the classroom during the 2018-19 academic year. Those individuals are as follows:
